

How to Use OQTA

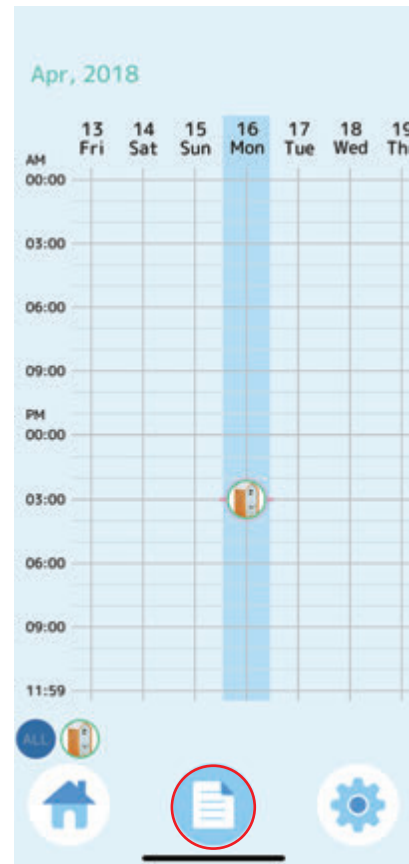

How to Use OQTA 1

The icon of the circle you belong to is displayed on the HOME page. If you tap the center of the icon, the connected OQTA device will make sounds.

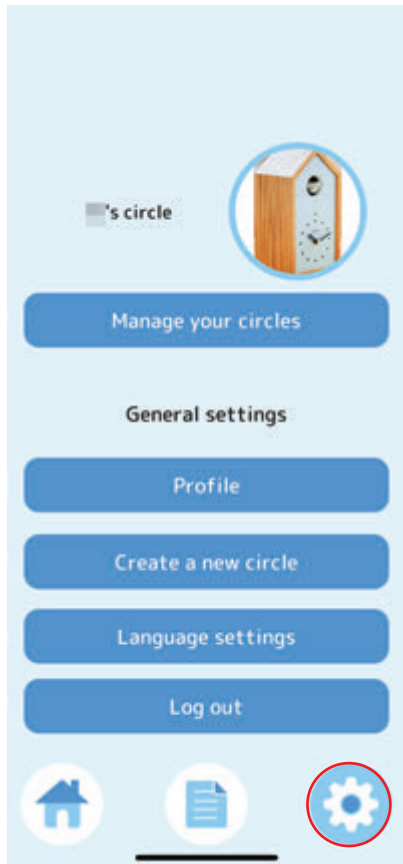

*After you tap the icon, it may take up to thirty minutes for the connected OQTA device to make sounds.

How to Use OQTA 2

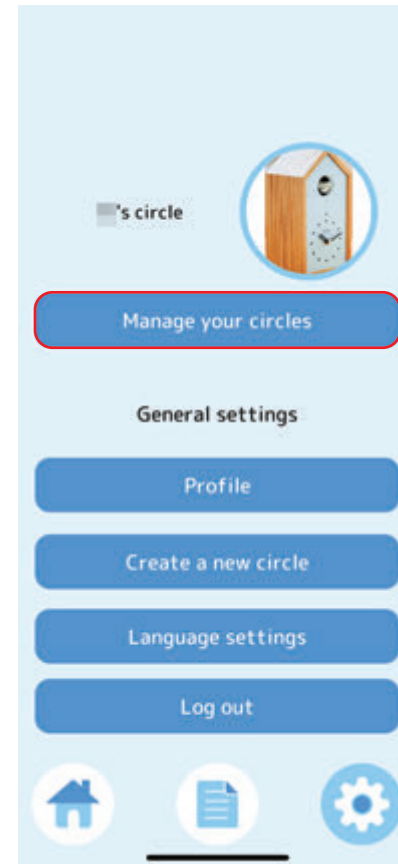

On the log page, you can keep track of when and who you sent sounds to.

How to Use OQTA 3

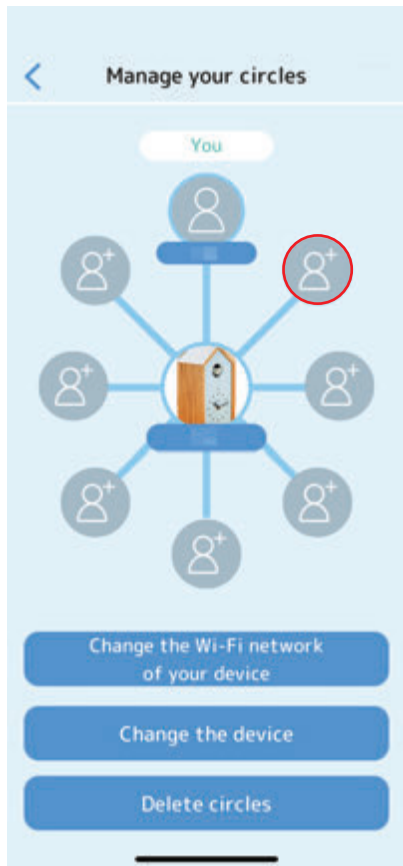

On the settings page, you can create and manage your circle and edit your profile.

If you are the admin of your circle, you can invite new senders to your circle from “Manage your circles.”

How to Use OQTA 4

To add a new member, tap one of the icons no one has been assigned to. One circle is allowed to have up to eight senders including the admin.

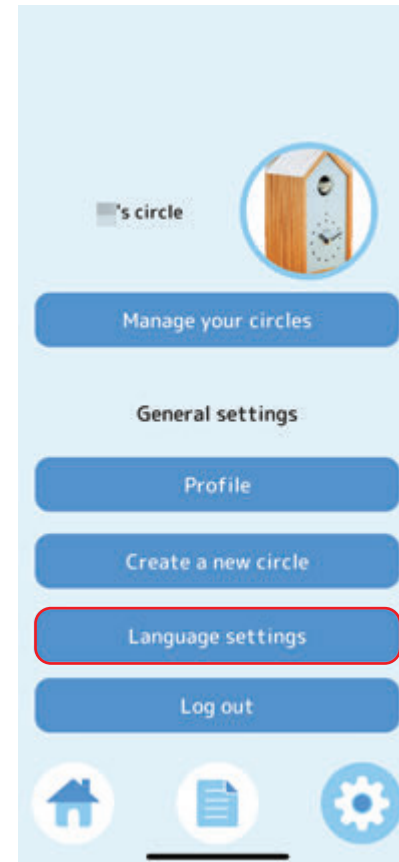

You can add new members by either asking them to read a QR code on their smartphones or tapping “Send the invitation code.”

How to Use OQTA 5

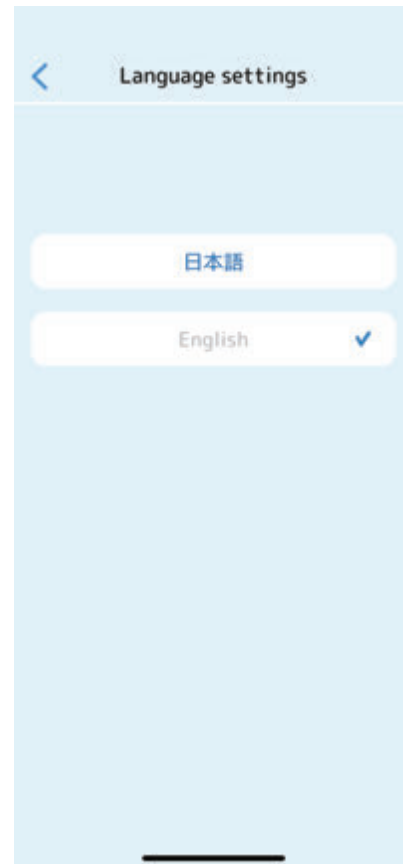

You can send invitation codes via email, Messenger, LINE, etc.

Tap “Language settings” to change the language of the app.

How to Use OQTA 6

As of April, 2018, Japanese and English are available on the OQTA app. More languages will be supported in the future.
